## Spezifikatioune vun PCM1725U/2K

|                                        |                                                |
|----------------------------------------|------------------------------------------------|
| PART NUMBER                            | PCM1725U/2K                                    |
| HIERSTELLER                            | N/A                                            |
| BESCHREIWUNG                           | IC STEREO 16-BIT AUD DAC 14SOIC                |
| BLEIF FREE STATUS / ROHS STATUS        | Bleif gratis / RoHS kompatibel                 |
| DATENLABEL                             |                                                |
| VOLTAGE SUPPLY SOURCE                  | Single Supply                                  |
| VOLTAGE - SUPPLY                       | 5V                                             |
| TYP                                    | DAC, Audio                                     |
| SUPPLIER DEVICE PACKAGE                | 14-SOIC                                        |
| SERIE                                  | SoundPlus™                                     |
| SAMPLING RATE (PER SECOND)             | 96k                                            |
| RESOLUTIION (BITS)                     | 16 b                                           |
| VERPAKUNG                              | Tape & Reel (TR)                               |
| PACKAGE / CASE                         | 14-SOIC (0.154", 3.90mm Width)                 |
| OPERATIOUN TEMPERATUR                  | -25°C ~ 85°C                                   |
| ZUEL VJ CHANNELS                       | 3                                              |
| MOUNTING TYPE                          | Surface Mount                                  |
| FEUCHTIGKEIT SENSIBILITÉTINIVEAU (MSL) | 1 (Unlimited)                                  |
| BLEIF FREE STATUS / ROHS STATUS        | Lead free / RoHS Compliant                     |
| DETAILBESCHREIWUNG                     | DAC, Audio 16 bit 96k I <sup>2</sup> S 14-SOIC |
| DATA INTERFACE                         | I <sup>2</sup> S                               |
| BASISZUEL NUMMER                       | PCM1725                                        |
